Attn: Charles Seaman

Dear Mr. Seaman:

The following training materials and accredited program submitted to us have been reviewed and approved in accordance with the Michigan Department of Agriculture's (MDA) "Procedures For Approving Food Safety Training Materials and Programs". Specifically:

Approved Training Materials

The Johnson Diversey, Inc. "Certified Professional Food Manager" training program meets MDA's "Guidelines for Food Safety Training Materials". The training material package consists of:

1. Certified Professional Food Manager course manual, Third Edition, copyright 2005 by, Thomson Prometric
2. CPFM Power Point Training diskette, Third Edition, Copyright 2005 Thomson Prometric

Accredited Programs

The accredited food protection manager certification programs, used in conjunction with Johnson Diversey training material are, National Registry of Food Safety Professionals and Serv-Safe, from the Nation Restaurant Association. These exams are accredited by Conference for Food Protection (CFP) & the American National Standards Institute (ANSI).

Thank you for submitting the training materials and accredited program information to MDA for approval. Information regarding this approval will be posted on the MDA list of approved Food Safety Training Materials and Programs. You may view the list on our website at: www.michigan.gov/mda

MDA approval of food safety training material and programs expires three (3) years from the date of original issuance.

Please feel free to contact me at (517)-335-4604, with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Coy".
